Why do leagues differ in cost?

Leagues vary in what is included, some leagues include food and beverage packages while others give \$\$\$\$ back at the end of the season. The higher weekly fee leagues award more \$\$\$ back to the bowlers at the end of the season in the form of prize \$\$\$\$. Leagues that cost less give less prize \$\$\$ back to the bowlers at the end of the season. It is not unusual for a bowler to get back over \$150.00 in prize \$\$\$.
