# *Double / Singles Scholarship* *RULES & FORMAT*

*This leagues unique format allows for bowlers to compete as a double team and accumulate individual points. ALL Bowlers in League will win a Scholarship \$\$\$.*

**Two bowlers per team.** (2 girls, 2 boys, or 1 of each)

**Team Average Limit:** Teams must enter the league with a team average of 425. (if more than 425 teams will give back pins in the doubles matches.) Bowlers must use their highest average with 21 or more games. (Example: Traveling League, Junior League or High School, etc)

**How many games:** Teams will bowl 4 games per night (two sets of 2 games each). Each set will be against a different team. After each set teams will move to a different pair of lanes.

**Team Standing Points:** 2 points for the team that has the highest pin total in the first game. 2 points for the team that has the highest pin total in the second game. And 2 points for the team that has the highest two game series. Teams will then switch pairs and bowl against a new team. Same format for the second set. A total of 12 team points can be earned each night.

**Individual Standing Points:** While bowlers are competing as a team their scores will be used to determine individual standing points. Bowlers will be awarded 2 point for beating their opposite opponent on the other team. For the second game switch opponents. A total of 8 individual standing points (2 point per game) can be earned each night. Bowlers cannot earn individual standing points if they are absent. The bowler bowling an absent bowler must beat their own average less ten pins to earn an individual standing point.

**Absent Bowlers:** When a bowler on a team is absent, that team must use the bowlers average less ten pins or a max of 180. An absent bowlers score will only help earn team points. Absent bowlers may not earn individual standing points.

If both bowlers on the same team are absent the team will forfeit all team points. The other team however must earn the individual standing points by beating the absent bowlers average less ten pins. USBC rulebook will cover situations arising not covered in the above rules. This league is designed to reward area bowlers with the chance to earn scholarship \$\$\$\$. The league director reserve the right to refuse any team entry into the league.

Pre- Bowling is allowed a maximum of three times per bowler. All pre-bowls must be approved by the league director. ALL Bowlers must be USBC certified. Misconduct by a specific bowler or bowlers may result in that bowler or bowlers scholarship \$\$\$ being withheld.
