EVERYONE IS GOOD ENOUGH FOR A LEAGUE

HERE'S WHY !!!!!

This league like most leagues, uses a Handicap scoring format. (100 % of 215) This means that better bowlers will get less handicap and not so good bowlers will get lots of handicap bonus pins. Example: If you average is 170, you will get 45 pins (215-170= 45) bonus added on to your score. Handicap allows bowlers of different skill levels to be able to bowl within the same league while still being competitive.
