

Everyone is "Good Enough" for a League. Here's WHY!

Bowling Leagues use a Handicap Scoring System, to allow for bowlers of different ability levels to compete fairly within the same league.

For example a league that uses a 100% of 200 system would work as follows. A bowler who averages 130 will receive 70 (200-130) bonus pins (pins of handicap) added to their score. A bowlers average and handicap will be adjusted each week based on the overall score and number of games. The computer scorers will calculate your handicap for you. Your job is to just have FUN!
