# BOWLING BALL

If you are a new league bowler\* the bowling center is going to buy YOU a Ball. (FREE Basic Drilling - conventional or fingertip - INCLUDED)

Why do we do this? To encourage new bowlers to give league bowling a try and find out why thousands of people in the Rockford area enjoy league bowling each year. A bowling ball that is custom drilled to fit the bowler will enable the bowler to improve at a faster pace.

**Brunswick** B Bowlers will receive a FREE Brunswick T - Zone.

OPTIONAL Upgrade to a Reactive Resin Ball for Only \$55 (Upgrade Ball will be the Brunswick Rhino Resin )

**When do I get my new ball? New bowler balls will be given out at half way point of your league.**

*What if I want my ball sooner? It is doable, NO worries just pay a \$20 rush fee, then your ball will be ordered right away and be available to you within 2 weeks. Why do I have to pay a rush fee? We are able to get a better price from the supplier if all balls are ordered at same time. When orders are placed individually for rush orders the cost is considerably more.*

\*A new bowler is defined as a bowler who has not bowled in a Rockford Area league in past 4 years.

## Rhino Upgrade Option (\$55)

The T-Zone ball is a high quality polyester ball designed to roll straight without much hook.

The Rhino is a high quality reactive resin ball designed to give more hitting power and more hook potential.
