

BOWLING BALL

If you are a new league bowler* the bowling center is going to buy YOU a Ball. (FREE Basic Drilling - conventional or fingertip - INCLUDED)

Why do we do this? To encourage new bowlers to give league bowling a try and find out why thousands of people in the Rockford area enjoy league bowling each year. A bowling ball that is custom drilled to fit the bowler will enable the bowler to improve at a faster pace.

Brunswick B Bowlers will receive a FREE Brunswick T - Zone.

OPTIONAL Upgrade to a Reactive Resin Ball for Only \$55 (Upgrade Ball will be the Brunswick Rhino Resin)

When do I get my new ball? New bowler balls will be given out at half way point of your league.

What if I want my ball sooner? It is doable, NO worries just pay a \$20 rush fee, then your ball will be ordered right away and be available to you within 2 weeks. Why do I have to pay a rush fee? We are able to get a better price from the supplier if all balls are ordered at same time. When orders are placed individually for rush orders the cost is considerably more.

*A new bowler is defined as a bowler who has not bowled in a Rockford Area league in past 4 years.

Rhino Upgrade Option (\$55)

The T-Zone ball is a high quality polyester ball designed to roll straight without much hook.

The Rhino is a high quality reactive resin ball designed to give more hitting power and more hook potential.

Why do leagues differ in cost?

Leagues vary in what is included, some leagues include food and beverage packages while others give \$\$\$\$ back at the end of the season. The higher weekly fee leagues award more \$\$\$ back to the bowlers at the end of the season in the form of prize \$\$\$\$. Leagues that cost less give less prize \$\$\$ back to the bowlers at the end of the season. It is not unusual for a bowler to get back over \$150.00 in prize \$\$\$.
