EVERYONE IS GOOD ENOUGH FOR A LEAGUE  
HERE'S WHY !!!!!

This league like most bowling leagues uses a Handicap scoring format. Better bowlers will get less handicap and not so good bowlers will get more handicap bonus pins. For example in a league that uses a 100 percent of 215 system a bowler with a 150 average would get 65 pins of handicap per game. 215-150 = 65 pins) Handicap makes bowling leagues fair for a wide variety of skill levels. Your average and amount of handicap will change from week to week based on your total pinfall and number of games bowled. No worries - the computer scoring system track everything.

ALL Teams

Prize \$\$\$  
at end of  
season.
