Optional Upgrade to a Resin Brunswick Rhino Pro or similar for ONLY \$55 (Various colors available)

When do I receive my new bowling ball ?

New bowlers will be given their new bowling ball certificates at the mid point of the league. The bowler will then bring the certificate to the BowlersMart Pro Shop to get professionally fitted and to select the specific ball they want.

What if I want my new ball sooner ?

No problem - Just pay a \$30 rush fee and you will be given the certificate immediately to bring to the Pro Shop at your convenience. You will get professionally fitted and your ball will be ordered right away if it is not in-stock. Your ball will arrive within 1 week.

But I am not "good enough" for a bowling league. **WRONG! - Here's Why!**

Everyone is "Good Enough" for a League. Here's WHY !

Bowling Leagues use a Handicap Scoring System, to allow for bowlers of different ability levels to compete fairly within the same league. For example a league that uses a 100% of 200 system would work as follows. A bowler who averages 120 will receive 80 (200-120) bonus pins (pins of handicap) added to their score. A bowlers average and handicap will be adjusted each week based on the overall score and number of games. The computer scorers will calculate your handicap for you. Your job is to just have FUN!

Why do millions of people all over the country join leagues each year?

- "To have FUN!"
- "To meet new people"
- "To get out of the house"
- "To relieve stress"
- "An excuse to drink beer & Rum Buckets with friends"
- "To become a better bowler"

Bowling is America's #1 Participation Sport 70 Million people per year
